Good morning:

Thank you for filing your notice of clarification with the Court regarding your non-opposition to the Motion. Because our prior answer deadline was 11/18 and the Court had not yet ruled on the Motion to Stay, I had to file the Motion yesterday prior to hearing from you.

Victoria Gray

Good afternoon, Mr. Turnage:

The Department of Justice and the Department of Health and Human Services are now open. Myself and my agency counsel with HHS were furloughed during the shutdown and were not able to work on your case or any other cases. Would you please agree to an extension of time for Defendant to file its answer to your Complaint to December 19, 2025?

Thank you,

Victoria H. Gray

I have no objection to stay stay considering the latch of government appropriation. I will await the notice of resumption upon government appropriations being obtained.

Thank you respectfully,
