Complaint

Please explain the entire circumstances surrounding your complaint below:

Company: Google LLC Consumer: Kevin Turnage, Gilbert, Arizona Account: kdturnage@gmail.com Summary of Complaint Google LLC disabled my Google account following a hacking incident and has refused to provide access to my personal data despite repeated formal requests. In a certified letter sent on December 31, 2025, I explicitly notified Google that my account contains evidence relevant to an active federal court case. Google acknowledged receipt but has taken no steps to preserve, export, or provide access to the data, in direct violation of their Terms of Service and potentially in violation of obligations to preserve evidence once put on notice. _____ Timeline of Events (Key Additions) • December 31, 2025 I sent a certified legal notice to Google stating that my disabled account contained emails and documents being used as evidence in a federal lawsuit. I requested preservation and access. • January 9, 2026 Google's Legal Department acknowledged the letter, but dismissed the preservation request, saying: "Google only takes steps to preserve data upon being properly served with valid legal process." No further communication or preservation occurred. _____ Legal and Consumer Harms • Denial of access to personal and legal data • Disregard for legal notice of evidentiary relevance • Failure to honor ToS promises about user data ownership and export • Sham appeal and recovery system • Unfair and deceptive business practices at scale
