Dear Mr. Turnage:

This letter is to acknowledge receipt of your complaint against **Phoenix Indian Medical Center, CLIA# 03D0664433 and Phoenix Indian Medical Center Blood Gas Laboratory, CLIA# 03D086951.** You are entitled to the highest level of competency, reliability and accuracy that reasonably may be expected from medical laboratories. Federal laws require medical laboratories to employ qualified testing and supervisory personnel, to operate using procedures that meet Federal regulatory requirements, and to develop and maintain effective quality control and quality assurance programs. The information you provided has been sent to the Centers for Medicare & Medicaid Services (CMS) which manages the Clinical Laboratory Improvement Amendments of 1988 program. The investigation will be performed by the laboratory's Accreditation Organization and may take several weeks. You can expect to receive further communication from CMS.

Thank you for taking the time to share your concerns with us. It takes a great measure of courage and effort to voice concerns about issues which affect the quality of the health care in a community.

Sincerely yours,

Marcie Bentley
