IHS Team:

In honor of Patient Safety Awareness Week (PSAW), I would like to take this opportunity to thank you for your tireless efforts to provide safe, quality care to our patients. Patient safety is something we think about every day and it is an integral part of our work. PSAW is an opportunity to reflect on the commitment that is required to maintain and increase the level of safety across the agency going forward.

Please take a moment to visit the links below for a patient safety update, Patient Safety Awareness Week announcement, and newsletter highlighting the patient safety excellence of our staff.

Thank you again for your efforts to strengthen our systems, increasing safety across the IHS.
