TO: Kevin Turnage, Nurse (Consultant) Policy and Procedures Officer, Phoenix Indian Medical Center

SUBJECT: Notice of Investigative Leave 2nd Extension

This is notification that your Investigative leave status is extended effective October 10, 2025, for 30 workdays tentatively until November 25, 2025. On July 15, 2025, you were placed on investigative leave until August 26, 2025. The investigative leave was extended August 27, 2025, through October 9, 2025. Your investigative leave status is extended because the investigation is ongoing. While you are on investigative leave, you remain an employee of the Agency, and you will continue to receive pay and benefits.

During the period that you are on extended investigative leave, you are in a non-duty, paid leave status. The Agency may contact you at any time during regular business hours. You must remain available for the Agency to contact you while on investigative leave, and you must request and receive approval from your supervisor for annual leave, sick leave, or leave without pay for absences, when you are not available to be contacted. At the conclusion of this period of extended investigative leave, the Agency will take one of the following actions pursuant to 5 U.S.C. § 6329b(b)(5): (1) return you to regular duty status; (2) reassign you to duties in accordance with 5 U.S.C. § 6329b(b)(2)(B)(i); (3) allow you to take other leave for which you are eligible; (4) place you in absent without leave status if you are absent from duty without approved leave; (5) propose or initiate an adverse action against you; or (6) extend the period of investigative leave.

Finally, during this period of investigative leave, you are not to conduct any official business, nor appear at any Indian Health Service (IHS) location for any reason, without explicit and advance permission from me. If you wish to enter any Agency building for any reason, you must call me at (602) 581-6577 to receive permission in advance to enter any Agency premises. Ms. Endreya McCabe will return to the office October 14, 2025, at which time you will contact her directly at (480) 570-0746 to request leave and/or to gain entry to an Agency building. If you try to enter any Agency facility without securing the appropriate authorization, security personnel will be instructed to remove you from the premises. Failure to comply with this or any other instruction may subject you to disciplinary or adverse action.

Your cooperation is appreciated. You may contact Mrs. Dora Birdshead, Office of Human Resources, (240) 478-1415, if you have any questions about the procedures or regulations applicable to these requirements.
